1. INTRODUCTION

These regulations and related policies apply to the following governing bodies in Athletics:

- UK Athletics (UKA)
- England Athletics (EA)
- Athletics Northern Ireland (ANI)
- Welsh Athletics (WA)
- Scottish Athletics (SA)

In this document any reference to UK Athletics or “UKA” means UK Athletics. The above listed Home Country Athletics Federations will be referred to collectively as “HCAFs” and individually as either a “HCAF” or as denoted above.

- 1.1** UK Athletics and the four HCAFs have a responsibility to safeguard, protect and promote the welfare of Children and Adults at Risk under their care. Irrespective of the involvement of statutory agencies, or the outcome of any criminal proceedings, this responsibility extends to developing and applying consistent and transparent procedures to facilitate the reporting and management of safeguarding concerns.
- 1.2** Safeguarding concerns can lie on a continuum from seemingly minor issues (e.g., minor breaches of rules or codes of conduct), through to more serious, persistent or unlawful behaviours (e.g., allegations or concerns about abuse, sexual or physical assault, or repeated or serious breaches of codes of conduct). Regardless of where they sit on the continuum all concerns require a considered response in line with appropriate safeguarding policies and procedures. Whilst the outcome in respect of such concerns will depend on a number of factors including both the seriousness and level of risk associated with the concern, UKA have formally confirmed a policy of ‘Zero Tolerance’ towards safeguarding concerns and where appropriate in the circumstances of the case we will seek the maximum penalty available which could be a lifetime ban from the sport of Athletics.
- 1.3** It is therefore essential that UKA and the four HCAFs can adequately form a view about the risk an individual may present to Children or Adults at Risk, and on that basis assess that individual’s suitability for involvement in the sport of Athletics.
- 1.4** To ensure an appropriate response that reflects all of these requirements, UKA in conjunction with the four HCAFs have agreed these Safeguarding Regulations (referred to in this document as the “Safeguarding Regulations” or the “Regulations”).
- 1.5** These Regulations will be reviewed by the Safeguarding Case Management Group on an on-going basis and the Group will recommend any required amendments to the Standards, Ethics and Rules Committee (SERC) (which is a committee of the UKA Board that has been created to advise on a wide range of topics including safeguarding). On a biennial basis the SERC will fully review the Regulations. All changes will be published on the UK Athletics and HCAF websites.
- 1.6** Where any conflict exists or arises between these Safeguarding Regulations and any other UK Athletics or HCAF regulations relating to investigating and determining safeguarding matters, these Safeguarding Regulations will take precedence.

then the conviction, caution or inclusion on a list shall be conclusive proof of grounds for action to be taken against that person under the Safeguarding Regulations. This means that the Safeguarding Case Management Group shall be entitled to impose an immediate sanction, commensurate and proportionate to the severity of conviction, caution and/or the inclusion on a statutory barring list. The sanction may be appealed in accordance with the appeal procedures detailed in the Regulations 12, 13 and 14.

7. INTERIM SUSPENSION

7.1 The Lead Safeguarding Officer has the power to impose an immediate interim suspension (an “Interim Suspension”) if it is considered, by reference to the factors listed below, that it is appropriate to exclude an individual concerned from any involvement in the sport of Athletics which might involve access to Children or Adults at Risk, until the conclusion of all proceedings under the Safeguarding Regulations.

- 7.2** In determining whether an Interim Suspension should be imposed, the Lead Safeguarding Officer shall give consideration to the following non exhaustive list of factors:

- 7.7** Any breach of an Interim Suspension shall constitute grounds for disciplinary action under the relevant UKA or HCAF general disciplinary policy.

8. SAFEGUARDING CASE MANAGEMENT LEVELS

- 8.1** Under these Regulations there are two levels through which a safeguarding case may be decided. All safeguarding concerns, complaints and general safeguarding queries are referred to the Lead Safeguarding Officer for initial review and investigation and determination of appropriate level of response. Such decisions of the Lead Safeguarding Officer will be reviewed and confirmed by the Safeguarding Case Management Group.

LEVEL ONE (SUMMARY PROCEDURE)

- 8.2** Is any conduct or behaviour which the Safeguarding Case Management Group determines can be satisfactorily dealt with by way of remedial action, such as corrective advice, additional training, a written warning, or monitoring of the individual concerned, without the need for further investigation. Summary case resolution is only suitable for complaints or concerns which are admitted by the Respondent, assessed as non-complex, and which can be resolved without further substantive investigation.

LEVEL TWO (SAFEGUARDING PANEL)

- 8.3** All Safeguarding cases which are contested by the Respondent, or which are assessed as complex, or a serious breach of the safeguarding policies and procedures, or codes of conduct, shall be managed at Level Two.

The Safeguarding Case Management Group may ask the Lead Safeguarding Officer for further information or instruct them to carry out a further investigation in order to determine whether a case will be referred to Level 2.

ACTION FOLLOWING RECEIPT OF A COMPLAINT OR REFERRAL OF A SAFEGUARDING MATTER

- 8.4** Upon receipt of a safeguarding related referral, complaint or allegation, the Lead Safeguarding Officer with the agreement of the Safeguarding Case Management Group shall decide whether to:
- 8.4.1** refer the matter to any of the relevant Statutory Safeguarding Agencies for further consideration (and to review the matter following consideration by such a relevant statutory agency); and/or
 - 8.4.2** deal with the case under the Safeguarding Regulations at Level One; or
 - 8.4.3** instigate an investigation under the Safeguarding Regulations at Level Two.
- 8.5** Where an individual has been charged with a criminal offence, or is the subject of an investigation by the Statutory Safeguarding Agencies, in respect of conduct which is, or may be, grounds for action under these Safeguarding Regulations, the Lead Safeguarding Officer with the agreement of the Safeguarding Case Management Group may:
- 8.5.1** postpone consideration of the matter pending the outcome of any such proceedings/ investigations; and/or,
 - 8.5.2** impose an Interim Suspension pending the outcome of any such proceedings/ investigation (see Regulation 7).

- 9.4** Where the conduct or behaviour is denied by the Respondent the Case will be referred to Level Two and the procedure at Regulation 10 onwards below shall apply.
- 9.5** Where the Respondent admits the conduct or behaviour, the Lead Safeguarding Officer will invite the Respondent to submit within 21 days any further written material that the Respondent wishes to be considered by the Safeguarding Case Management Group in determining the appropriate sanction.
- 9.6** The Safeguarding Case Management Group shall then consider the case based on the documents submitted by the Lead Safeguarding Officer and any additional information submitted by the Respondent pursuant to Regulation 9.5. There is no right for any party to attend the deliberations of the Safeguarding Case Management Group. The Safeguarding Case Management Group shall then decide the appropriate Sanction that reflects the harm caused, or was likely to have been caused, and/or which addresses the identified risks. An outcome at Level One may include (but is not limited to) the following;
- 9.6.1** a written warning outlining the areas of concern which must be addressed by the Respondent before they can return to Athletics; and/or
 - 9.6.2** a requirement on the Respondent to undertake training, or be supervised and/or work with a mentor for a specified period of time or permanently; and/or,

 - 9.11.2** UKA or the HCAF may appeal on the grounds set out in Regulation 12.2 below.

- 10.2** All investigations will be overseen by the Lead Safeguarding Officer who will ensure that all enquiries necessary to establish the facts and circumstances of the referral are undertaken.
- 10.3** The Lead Safeguarding Officer will allocate the investigation to a case officer (either from the UKA safeguarding team, an HCAF welfare officer, or an external investigator) (“Case Officer”). The decisions of the Lead Safeguarding Officer as to who the Case Officer shall be are not subject to challenge by the Respondent.
- 10.4** The Case Officer will inform the Respondent in writing that they are the subject of a safeguarding investigation and provide an outline of the allegation. Details of the appropriate version of the Safeguarding Regulations will be provided by the Case Officer to the Respondent at this time. This shall normally be within 7 days of the decision of the Lead Safeguarding Officer or Safeguarding Case Management Group to determine the case as a Level Two, but the Lead Safeguarding Officer may obtain the agreement of the Case Management Group to delay this notification if it is considered to be in the best interests of the Complainant or the investigation.
- 10.5** The Case Officer will thereafter conduct an investigation that is thorough, proportionate, relevant and transparent (to the extent possible in the circumstances of the case). Contact with the Respondent and all witnesses will usually be via telephone, a video conferencing service, email, or may be conducted by face-to-face meetings.
- 10.6** The Respondent and any witnesses, shall give the Case Officer all reasonable assistance with the investigation, including promptly supplying signed statements if necessary, making themselves available for interview, answering any questions and supplying documentary evidence or other information requested by the Case Officer.
- 10.7** Any failure to comply with a reasonable request or requirement as part of the investigation carried out under the Safeguarding Regulations may amount to grounds for disciplinary action under UK Athletics or HCAF Disciplinary Policies and an interim suspension under such Disciplinary Policies may be imposed until that person, club or organisation has complied with any outstanding requests.
- 10.8** In circumstances in which the investigation involves communicating with, taking evidence from, or interviewing a Child or an Adult at Risk, and the issues to be investigated are of a sensitive nature, it shall be at the discretion of the Lead Safeguarding Officer to delegate the investigation, or certain parts of the investigation, to an external investigator to assist the Case Officer, or deal with the investigation in a way that is appropriate in all of the circumstances and given the sensitive nature of the subject matter.
- 10.9** Investigations conducted by an external investigator appointed by the Lead Safeguarding Officer in whole or in part, will be undertaken as soon as reasonably practicable.

- 10.10** The Case Officer will at their discretion advise the key parties involved in a case (including the Respondent and Complainant) as to anticipated timescales for the investigation to be undertaken and the likely timescales for case completion.
- 10.11** Upon conclusion of an investigation the Case Officer shall submit a case report (“Case Report”) to the Safeguarding Case Management Group which will decide whether the case is to be determined at Level One or Level Two.

11. LEVEL TWO - CASE OUTCOME PROCESS:

- 11.1** Where the case is to be determined at Level Two the Lead Safeguarding Officer shall convene a Safeguarding Panel.
- 11.2** The Lead Safeguarding Officer shall within 14 days of receipt of the Case Report provide the Respondent written notice (“Notice of Safeguarding Case”). The information provided in the “Notice of Safeguarding Case” is strictly confidential and may be redacted by the Lead Safeguarding Officer (in their discretion) for any reason, including to protect the anonymity of the witnesses in the case. Any breach of confidentiality may result in separate proceedings under the UKA or HCAF Disciplinary Policy.
- 11.3** The Notice should comprise of:
- 11.3.1** a Case Report (which will contain details of the complaint, charge or allegation);
 - 11.3.2** a list of witnesses named in support of the case, along with signed witness statements that have been collected in support of the case;
 - 11.3.3** any other documents (enclosures) listed in the Case Report;

 - 11.3.5** confirmation of the applicable version of the Safeguarding Regulations; and
 - 11.3.6** guidance on what steps the Respondent must take as set out in Regulation 11.4 of these Regulations.
- 11.4** Not later than 21 days after receipt of the Notice, the Respondent shall send to the Lead Safeguarding Officer a written response to the Notice outlining:
- 11.4.1** whether the case is admitted or denied;
 - 11.4.2** whether they request a personal hearing;
 - 11.4.3** any written submissions in support of the Respondent’s position;
 - 11.4.4** any additional evidence that the Respondent seeks to rely upon;

The Lead Safeguarding Officer will assess whether it is necessary and reasonable to obtain signed statements from such witnesses. A Respondent must not contact the Complainant or any potential witnesses in relation to the case.
- 11.5** If the Respondent does not respond or fails to adhere to the requirements, as set out above, within the specified time period, the Safeguarding Panel shall adjudicate the matter, taking into consideration the Case Report and case papers submitted by the Case Officer and any other evidence it thinks appropriate.

- 11.6** The Safeguarding Panel shall have the discretion to set directions generally as to the conduct of the proceedings. In addition, the Panel may, upon receipt of the case papers, request further information or ask the Lead Safeguarding Officer to conduct further investigations as appropriate.
- 11.7** The Safeguarding Panel will schedule a date for a case hearing.
- 11.8** The Safeguarding Panel will consist of three members. The three individuals appointed to the Safeguarding Panel shall select one of their number as the Chair.
- 11.9** The Lead Safeguarding Officer will at least 14 days prior to the case hearing, notify the Complainant and Respondent of the time and date of the case hearing and of the names of the Safeguarding Panel members.
- 11.10** Where the Respondent requests a personal hearing, the Safeguarding Panel shall give the Respondent notice of the method of attendance (which may, at the discretion of the Safeguarding Panel, be a meeting held virtually or in person). In addition to a lawyer (if they have instructed one), the Respondent may be accompanied at a personal hearing by one other person of the Respondent's choice (e.g., a family member or personal friend), who shall not be a witness. This right shall be in addition to the right of a Respondent who is under 18 or an Adult at Risk to be accompanied by a parent or carer. Failure of a Respondent to attend a hearing, or to answer any question shall not prevent the Safeguarding Panel from proceeding to a decision.
- 11.11** The Safeguarding Panel shall have the power to make any other directions it deems necessary. The Safeguarding Panel will consider the case based on the evidence submitted.
- 11.12** If the case is denied by the Respondent, the Safeguarding Panel shall consider whether on the balance of probabilities there is sufficient evidence to substantiate that;
- 11.12.1** the case (or any specific charge) is proven;
- and,
- 11.12.2** the Respondent's conduct (whether within or related to the sport of Athletics or not) caused harm to a Child or an Adult at Risk, or was likely to have caused harm to a Child or an Adult at Risk;

- and/or,
- 11.12.4** the Respondent's conduct (whether within or related to the sport of Athletics or not) indicates they may not be suitable to work with Children or Adults at Risk in an Athletics setting.
- 11.13** If the case is admitted by the Respondent, or upon consideration of the documents provided the Safeguarding Panel concludes that the case is proven on the balance of probabilities, the Safeguarding Panel shall decide upon an appropriate outcome which suitably reflects the seriousness of the case and the harm caused, or that was likely to have been caused, and/or addresses the identified risks. The outcomes available include (but are not limited to) the following:-
- 11.13.1** ban the Respondent from any or all Athletics activities, on any terms considered appropriate, including for a specified period of time or permanently; and/or,

- 11.15** The Safeguarding Panel may at any stage, and in its absolute discretion, request that the case be considered by the Case Management Group for referral to any of the relevant Statutory Safeguarding Agencies.
- 11.16** All proceedings of the Safeguarding Panel shall take place in private and the public and the press shall have no right of access. The Panel shall not issue any press statement, social media posts, or conduct any press conferences. All announcements in relation to any decision of a Safeguarding Panel shall be undertaken by UKA and/or the relevant HCAF in line with Regulation 16.
- 11.17** The Safeguarding Panel shall notify its decision (with written reasons) to the Lead Safeguarding Officer within 14 days of their meeting (except in exceptional circumstances).
- 11.18** The Lead Safeguarding Officer shall notify the Respondent of the Decision within 7 days of receipt from the Safeguarding Panel (except in exceptional circumstances).
